## **Covid-19 Guest Update**

### **What we will do**

- Continue with our normal thorough cleaning regime and augment it with a comprehensive layer of sanitisation using either a 0.1% hyperchlorite solution or an anti viral spray as per government guidelines.
- All potentially high contact areas such as bathrooms, door handles, kitchens, switches, remotes etc. will be thoroughly sanitised.
- Laundry will be washed at 60 degrees & any remaining bedding sprayed with anti viral.
- Hangers sanitised or swapped at change over.
- Non essential potentially high contact items (eg. welcome folders, magazines etc.) removed.
- Larder cupboards reduced to minimum i.e. Olive oil, cling film etc.
- Key fobs and keys will be sanitised.
- Provide hand sanitiser & anti viral sprays.

### **Pool/Gym**

- Both pool and gym have been made bookable in 90 minute slots.
- All potentially high contact areas such as changing rooms, door handles, switches etc will be thoroughly sanitised daily.
- Non essential items (magazines, loungers, hair driers etc.) removed.
- Provide hand sanitiser, & anti viral sprays.

### **What you can do to help**

- Use the provided hand sanitisers and anti viral sprays provided to maintain the clean environment.
- Always put all crockery, glasses and kitchen utensils through the dishwasher.
- Empty the household bins.
- Please shower and change for the pool & gym in your accommodation and minimise the use of the pool changing rooms.
- Please be prompt on departure and flexible on arrival to allow extra time for cleaning procedures.
